

My Choices

With your last selection, the choices that you have indicated are as follows (marked by an “X”):

1. Do you ask them for it or do tell them you need it?

☐ Ask or Asking

☒ Tell or Telling

2. And, what level of animation do you display?

☐ Controlled

☒ Animated or Emoting

3. You prefer working with:

☐ People and things and with the more fellow workers around, the better

☒ Thoughts and Ideas and fewer or no fellow workers around so as to avoid extra stress

4. When you are with a small group receiving instruction on a topic, you generally want to:

☒ Hold your questions to the end.

☐ Interrupt with questions or ideas.

These choices indicate that you are an Expressive and, specifically, an Driving Expressive who is very telling and mostly animated and driven by people and things. Approximately 1.5% of the population share this type with 0.4% being males and 1.1% being females.

Within the MBTI® program, your letters are ISFP.
