

What is my Type? Continued

Your MBTI type can be determined using your choices. The first letter "E" or "I" comes from item 4. If you have chosen option **a.** to either then your first letter is "E" and otherwise, it is "I". The second letter is determined by the answer to item 5. If you have chosen "Interrupt with questions or ideas", then you are an "N" and otherwise and "S". The last two letters are determined by your answers to numbers 1 and 2: "**Asking-Controlled**" is "**TP**"; "**Asking-Animated**" is "**FJ**"; "**Telling-Controlled**" is "**TJ**"; and "**Telling-Animated**" is "**FP**". Look first in the right quadrant then find your first two letters.
